Venice

1. Courses
I confirm that Erasmus Incoming students can attend also courses not belong to the department under which our Erasmus+ agreement was signed. The list of our courses for a.y. 2014/2015 is available here: http://www.unive.it/nqcontent.cfm?a_id=75969

Ca’ Foscari offers a wide range of English taught courses here: http://www.unive.it/nqcontent.cfm?a_id=75896

2. Proof of language
For Erasmus Incoming students no language requirement or certificate is expected. However, in order to properly attend classes and fruitfully spend their mobility period in Venice, we highly recommend Erasmus students have a good level (B1 - B2) of both Italian and English.
